RENDER SERVICES	WIDGETS	LIVE DEALER SITES	TRUESTATE APPS

CORE PLATFORM SERVICES 7 services on Render

TruFlow Premium	Full DMS — inventory, leads, invoices, deal readiness, TruSocial via Zernio, per-dealer isolation, automated daily backups	LIVE	flow.tru-saas.com
TruFlow Light	Mobile dealer console — inventory management, editable drawers (price/specs/publish/sold/delete), bottom-nav. Served by Premium at /light	LIVE	/light
TruLens	Dealer photo studio — PWA capture walk, AI quality grading, tiered retail capture (core 10 + optional), "No damage reported" dealer declaration	LIVE	lens.tru-saas.com
TruInspect	Vehicle inspection reports — AI damage detection (Gemini), 2-tier VIR (Basic manual + AI graded), flex viewfinder, PDF/HTML export	LIVE	inspect.tru-saas.com
TruLive	Live guided vehicle walkthroughs — WebRTC, dealer sends secure link, buyer joins in browser, synced prompts through 10 sections, AI summary	LIVE	live.tru-saas.com
TruValue	Live video trade-in appraisal — customer films their car, dealer questions privately, sets TP "subject to viewing", AI never prices	LIVE	trade.tru-saas.com
TruChat API	Hosted Claude chat brain for static sites — stock search, WhatsApp handoff. No live callers currently; shut down Render service to save cost. Code in repo, redeploy in 5 min or fold into TruFlow	PAUSED	

CRM & MANAGEMENT 2

TruCRM	Dealership CRM module — React + dnd-kit, "Dealer Assist" AI assistant. Render deploy planned	IN DEV
TruOrbit	360° orbit playback module — TruLens captures, TruOrbit plays back on dealer sites	IN DEV

EMBEDDABLE WIDGETS 8 canonical packages

Shadow DOM components, JS embed. Canonical source in packages/ — per-dealer copies are deploy artefacts.

TruLoader	Universal widget loader — one script tag orchestrates all dealer widgets on a page	FOUNDATION
TruAfford	Soft affordability / pre-qual calculator — finance widget, fires leads to /api/integration/webhook-lead	LIVE
TruRepay	Repayment calculator — dealer-branded, balloon/residual support. Old calc hidden not deleted (FIN powers pre-approval)	LIVE
TruForm	Contact / enquiry form — lead capture, webhook integration	LIVE
TruBook	Booking & appointment widget — showroom visits, test drives, workshop trade-ins	LIVE
TruShare	Per-vehicle sharing widget — social/WhatsApp share with OG preview for dealer websites	LIVE
TruConcierge	Mobile-only booking bottom-sheet for the VDP — lighter, personal entry point alongside TruBook	LIVE
TruChat (embed)	Chatbot widget — drop-in chat UI powered by TruChat API backend. WordPress plugin for YCG	LIVE

INTEGRATIONS & CONNECTORS 3

Kredo / CarTrust	VIN history connector — stolen/written-off/finance checks for TruLens + TruInspect. Independent per-app keys, API key supplied by client or platform	LIVE
Zernio / TruSocial	Social media publishing via TruFlow — push inventory to Facebook Marketplace, social channels	LIVE
TruContact	Accounting provider links — connector for external accounting/finance systems	IN DEV

LIVE DEALER SITES 3 on Netlify

TruShowroom entry-level dealer websites. Deploy via netlify deploy --prod CLI.

True Cars	Flagship demo showroom — 14-unit mock catalogue, 5 rebuilt pages. www.true-cars.co.za	LIVE	Netlify
Cars on Caledon	Kariega dealer — vehicle-share URLs, server-side OG previews (edge function), DMS-populated. Feed-driven sitemap deferred	LIVE	Netlify + Edge
MKR Auto Sales	Kariega dealer — Web + Lite + Chatbot, layered mkr-*.js add-ons. Rebuild gated on invoice payment	LIVE	Netlify

OTHER CLIENTS

Your Car Guy	Web + Chatbot + Analytics — TruChat WordPress plugin deployment	LIVE	WordPress
--------------	---	------	-----------

FOUNDATION & TOOLING

tru-shared	Shared utilities — auth.js, persist.js, config.js. Common helpers across live-video apps	INTERNAL
Design tokens	tru-tokens.css + tru-premium.css — shared depth, glass, motion layer across all vanilla apps	INTERNAL
Public Stock Feed	One contract, two sources (TruFlow + TruLens) — populates dealer sites. Site can run on Lens alone	INTERNAL
Button System 2026	Shipped to main across all 3 apps. Splash: "TruDealer — Future Automotive · V 1.2"	SHIPPED

TRUESTATE PROPERTY APPS 3 apps, ~1 day to brand

Property inspection vertical. Cloned from TruInspect (TruLive/TruValue) rebranded to property language. Fishbone projects
